To Whom It May Concern;

The Capitol Forum is a non-profit social service organization founded in 1977. One of our main purposes is to raise funds for other non-profit groups who serve the needs of the community. Our fund raisers are done within a social setting so we can socialize and raise funds at the same time. 100% of the funds raised at the events go directly to the charity the night of the fundraiser.

On January 8, 2017 we will celebrate our 40th Anniversary with a special show to raise funds for St. Francis Shelter and HOME Youth & Resource Center. We would appreciate any help you can give us.

We are in need of donated items for raffle and auction, such as gift certificates, gifts, t-shirts, wine, alcohol, items we can use to make gift baskets, etc.. We hope you will help. We have a special OLCC permit to raffle/auction alcohol items for this night only. If you have a talent making things like Jewelry, Afghans, Dream Catchers, Bird Houses, etc., we can always use them. Or you can put together a gift basket.

For more info on the two charities & to see other things they need (wish list) go to:

HOME Youth & Resource Center – www.mycommunityaction.org Tax ID#23-7056987

We are also asking for Sponsors who will donate funds to the two charities to help us raise funds for special needs of these organizations. **All Sponsor funds go directly to the charity so we ask that checks be made out to St. Francis Shelter and HOME Youth & Resource Center.** Split evenly – so if a \$100 sponsor (make a \$50 check to each). Both are 501(3)C tax exempt non-profit organizations and will send you a receipt. All expenses of the show (fundraiser) are paid by the membership of the Capitol Forum and the owners & staff of Southside Speakeasy. **Sponsors & donors of raffle and/or auction items will be listed on our web site. For business sponsors (and businesses that donate items) we would appreciate your logo and web site for a link in our listings (check out our web site at: www.capitolforum.org). See e-mail & mailing address below.**
